We need your assistance please!

As our county continues to grow and develop, our task of keeping our community safe becomes increasingly more challenging for me and my staff, but thanks to programs like Neighborhood Watch which is managed by volunteers, we are seeing positive results. The mission of Neighborhood Watch program is to

... establish groups of people living in the same area who want to make their neighborhoods safer by working together and in conjunction with our local law enforcement services to reduce crime and improve their quality of life.

The past few years of COVID hampered our Neighborhood Watch program in Montrose County with the loss of communication amongst existing Neighborhood Watch groups. We are reaching out to community HOAs and HOA management companies to help us reconnect. We are simply asking you to forward this letter to your HOA leaders.

We invite everyone to find out how simple and easy it is to establish a Neighborhood Watch program within their communities. Our goal is to set up an informal meeting with members of your group, a Neighborhood Watch volunteer and a deputy. If you have any questions or concerns, please contact:

- Montrose County Neighborhood Watch 970-252-4499
- Email us at nhwmontroseco@outlook.com
- www.montrosecountysheriffsoffice.com/community/neighborhood-watch

Working together, we create a better community for ourselves and our families. Thank you for your continued support.

Sincerely,

Sheriff Gene R. Lillard
